Comment from Last Run ~ Finished first of the 9 runners in a 7f nursery at Musselburgh. Raced in second, led narrowly 3f out, sustained duel with runner-up from 2f out, ridden over 1f out, kept on, just prevailed. FEERAAS has a bit of natural exuberance about him but it was lot more controlled than had been the case on his nursery debut at Haydock and he showed improved form, holding off the sustained challenge of the runner-up in determined fashion.

Comment from Last Run ~ Finished fifth of the 11 runners in a 6f novice event at Salisbury. Bumped rival start, took keen hold, led, headed and pressed leader over 3f out, slightly hampered 1f out, no extra and lost two places inside final 110yds. The Actor, well held from a mark of 90 in a Glorious Goodwood nursery, when sporting first-time blinkers, had the headgear removed but looked vulnerable conceding weight all round and he backed out of things late on.
